Striving to provide a Better Place to Live

To: The Chief Building Official, City Clerk or Supervisor of Property Standards

We would like to take a moment to express our appreciation in having your Municipality and staff as part of our Association. The Association takes great pride in ensuring that we can offer a service to Municipalities and to our members. We strive to be leaders in training and education for those Officers in the field responsible for enforcing Property Standards By-laws.

We would also like to take this opportunity to remind our members, that the 2010 membership dues are due before April 1,2010 and can be mailed to the address below.

At this time I would also request that your Municipality provide an up to date list of all staff who are members of the Association, in what position they are employed and whether they have obtained certification. This information will assist us in maintaining an accurate mailing list of our membership.

A copy of the membership renewal application has been attached for your convenience. If payment has already been made, please disregard this notice and we apologize for any inconvenience.

If you have any questions please do not hesitate to call.

Thank you for taking the time in assisting us in this matter.
